

SHARE AN IMAGE FROM THE CHROMIUM BROWSER

Learn how to import an image from the Chromium browser to the Whiteboard app.

Import image from Chromium

As an alternative to [Screen Capture](#), you can import images from the [Chromium browser](#) directly into the [Whiteboard](#) app.

Locate the image you want to import in the Chromium browser. **Press and hold** on the image preview to show **contextual options**.

Select **Share image** and then **Import image**. Note the different options: **Whiteboard** and **Explain Everything**.

The image is automatically copied into the **Whiteboard** or **Explain Everything** app.
