

INTRODUCTION TO TIMER

Learn how to use the Timer app for timekeeping, countdowns and clock-related activities in the classroom.

Timer

Open the **Applications Menu** and **select Timer**. If you use this tool often, you can **drag** the icon onto a slot on the **Quick Launch Menu**..

 A web version of the app is also available, from the [OnePromethean](https://www.onepromethean.com) website.

- 1 Select the **Cog** to display the **Timer settings**.
- 2 Select your Timer type: **Countdown**, **Stopwatch** or **Clock**.
- 3 **Contextual settings** for the type of timer you have selected.
- 4 Adjust the **Timer size**: **Large**, **medium**, **small** or **minimize**.
- 5 Tap the **plus icon** to open another timer on the screen. You can have up to 8 timers at the same time.
- 6 Select **Styles** to change the **color scheme** of your timer.
