

Best Practices with ClassFlow: How to Edit Lessons from Marketplace

Marketplace is the perfect place to find free, ready-made content to share with your students. You may edit unprotected lessons to best fit your needs. When viewing a lesson in Marketplace, scroll down on the details page to see its protection status.

Verbs: How Not to Save a Sand Castle 2nd Grade
This Lesson Has Assessments • Modified: 10/26/...

Let's Spread Kindness
 Lesson • Modified: 09/26/2018 9:17:53 AM

In Lesson Builder, feel free to add additional content and delete cards you do not need. Insert multimedia such as websites, videos, images, and more by using the **Insert** button from the toolbar.

Rename a lesson in Lesson Builder by double-clicking the **title**. Edit lesson details by clicking the **ClassFlow Menu**, then **Properties**. If under the Resources tab, select the **Edit Properties** button to make such changes.
